

CLS Advanced Standing Program of Study, Beginning Fall, 2007

Fall Semester, Year 1		CR
<i>CLS 311 Basic and Clinical Immunology</i>	Wiggers	3
<i>CLS 432 Advanced Hematology</i>	Wiggers	4
Spring Semester, Year 1		
<i>CLS 310 Body Fluids Analysis</i>	Tardy/Vance	3
<i>CLS 434 Advanced Clinical Chemistry</i>	Tardy/Vance	4
Summer Session, Year 1		
<i>CLS 327 Lab Operations</i>	Wilkins/Tardy	3
<i>CLS 417 Management & Education in CLS</i>	Tardy/Cason	2
Fall Semester, Year 2		
<i>CLS 405 Intro. to Molecular Diagnostics</i>	Richards/Sullivan	3
<i>CLS 433 Advanced Clinical Microbiology</i>	Wilkins	4
Spring Semester, Year 2		
<i>CLS 430 Research in CLS</i>	Wilkins/Vance	4
<i>CLS 435 Advanced Immunohematology</i>	Wilkins	4
Summer Session, Year 2		
<i>CLS 429 Clinical Correlations</i>	Wilkins/Faculty	26
<i>CLS 445 Clinical Rotations</i>	Wiggers	6

AP CR:	66
Prerequisites:	58
Total CR:	124

The Advanced Standing program allows a student who is currently a CLT(NCA) or MLT(ASCP) to pursue a baccalaureate degree in Clinical Laboratory Sciences while still working full-time at their place of employment. 58 acceptable prerequisite hours of undergraduate coursework are required for admission to the program. Students are accepted for enrollment in August only.
